# Glyfada, Athens

Glyfada is a suburb in South Athens located in the Athens Riviera along the Athens coast. It is situated in the southern parts of the Athens' Urban Area.

The area stretches from the foot of the Hymettus mountain to the Saronic Gulf. It is the largest of Athens' southern suburbs.

In Glyfada, you will surely enjoy a refreshing swim at the crystalline waters and a relaxing sunbath. The beach area is filled with trendy cafes, cozy restaurants and lively bars for all types.

Most of the beaches in Glyfada are public but you may find some private beaches (with an entry fee) which are less crowded.

It's easily accessed by many local buses from the city centre and via tram.
